Skip-A-Payment - Help A Child

How would you like to use your monthly payment on something else this holiday season?

Keep your cash…skip a loan payment.

Credit Unions for Kids, is a nationwide charity whose contributions go directly towards helping regional children's hospitals. Blair E. Batson Children's Hospital, here in Jackson, is the direct recipient of all of these contributions. We are offering our members the chance to skip a single loan payment during November, December and January in exchange for a $20 voluntary contribution to the Credit Unions for Kids charity.

Simply complete the request below, indicating which loans** you wish to skip and for which month. Also, it's helpful for us to know if your loans are paid by payroll deduction or an automatic payment each month, so please check the box if they are, and from which account the payment is drawn. Mail or fax the signed request below, or drop it by any branch:

IMPORTANT: Please get your request to us at least 10 days before your payments are due.

Loans must be at least 6 months old and paid current for the last 6 months to qualify. Payments may not be skipped for Lines of Credit and Real Estate loans. Interest will continue to accrue on the loan during the skipped period. Skipping a payment may cause the loan to take longer to be paid off than originally estimated. A regular payment will be due the month after the month skipped.

Skip-A-Pay requests must be received by Statewide at least 10 days prior to the due date of the payments to be skipped. The Skip-A-Pay offer runs from November 1st, 2018 thru January 31st, 2019.
